#### Overview

To register to take the CAT 2010, go to [www.catiim.in](http://www.catiim.in) and click on the "Register for CAT 2010" link. You can register and schedule for the CAT 2010 from **30 August - 30 September 2010**.

During registration, you will:

1. Create a profile.
2. Fill out the CAT application.
3. Schedule your test.

**Estimated time to complete this process: 20-30 minutes.**

Before you begin, you should gather all the information you will need to complete the registration process, including your voucher, educational history, work experience, and a list of the IIM programmes to which you are applying.

The screenshot shows the CAT 2010 registration website. At the top, it says 'CAT Common Admission Test (CAT) Indian Institutes of Management (IIM)'. Below that is a banner with logos of various IIMs. The main heading is 'Welcome to IIM CAT Registration'. The page is divided into two main columns. The left column is for 'New users' and the right column is for 'Existing users'. The 'New users' section has a green header and contains several boxes: 'Before you register, review the instructions:', 'Make sure you have all your information:', and 'During registration, you will:'. The 'Existing users' section has a green header and contains a 'Did you register for CAT 2009?' box, a 'Username' field, a 'Password' field, and a 'Log in' button. There is also a 'News & notifications' section at the bottom right.

---

#### Opening Screen

On the first screen of the registration website, you will see two boxes – "New users" and "Existing users." The first time you come to this website, please follow the instructions for "New users." This includes candidates who previously registered for CAT 2009.

If you have trouble reading the characters, you can click the audio icon or the refresh icon. Once you have entered the Captchas, click on "Begin My Registration." This will take you to the next section, which is "Create a Profile."

## The Testing Process

You must arrive **two hours** before your scheduled appointment. This allows time for you to sign in and for staff to verify your identification and documentation. If you fail to arrive at least 1.5 hours before your scheduled test, you will not be allowed to take the CAT.

You will need to bring the following items with you to the test centre:

1. **Admit Card**. You must bring your Admit Card with you to the test centre. You will not be allowed to test without it.

Acceptable forms of photo identification are limited to: driver's license; passport; PAN card; voter ID; college ID; employee identification card; or a notarized Affidavit with photo, signature, date of birth and residential address. Photocopies of the original are not acceptable.  
Note: If you do not present an appropriate photo identification, you will not be allowed to take the CAT.
3. If you are a candidate belonging to the SC/ST category and paid the discount fees, please bring a valid document as proof of your SC/ST eligibility. Without proper documentation, you may not be permitted to take the test.

**References**. No reference materials, papers or study materials are allowed at the test centre. If you are found with these or any other aids, you will not be allowed to continue the test and your answers will not be scored. Test Centres, Prometric and IIMs assume no responsibility for personal items or devices that you choose to bring into the test centre.

**Breaks**. There are no scheduled or unscheduled breaks. Once you have been seated at the test centre, you must remain in your seat during the test except when authorised to leave by a test centre staff member.
